“ Shirley and Kids ,
I am so sad to here that Larry has left us all . He meant so much to me and he taught me so much when I was growing up .I did'nt get to see him as often as I would have liked to ,but every time our paths crossed we always shared a good laugh and talked about the good old days, and we had a lot of fun time's together those are times I will always remember as your neighbor in the big town of Newland . It would be hard to find a better friend then Bunchy . When he told you something you could count on it as being the truth . Bunchy I Love You Man . You will be missed by all.##imported-begin##Greg Hopkins ##imported-end##
