Jackson Funeral Chapels - December 07, 2009 at 12:00 AM

“ Our hearts go out to you and your family. I know that we don't know each other, but we share something that no parent wants another parent to go through. My friend emailed a link to your story and how you have wrote a book in memory of Lauren. We lost our little 2 1/2 year old girl, Kylee, in May of 2007. She is now "Growing up with Jesus". We pray that you guys can keep leaning on God to get you through now and the times ahead. Our now 7 year old boy, still talks about her and wishes that she was still here. My husband and I both tell people when they ask how we keep going, and we just keep telling them with alot of prayer, and then we pray some more. We will always want to know why, but that's something we can ask when we get to heaven. The one thing that keeps us going, is knowing that we will see her again! I can't imagine going through this without being able to lean on God and know that He is seeing the whole picture and we need to keep trusting Him! Our prayers our with you!

*DEAR FAMILY, speciaal Michelle en David. WIJ HEBBEN VEEL VERDRIET DOOR HET OVERLIJDEN van JULLIE dochter Laura(Annelies van Brakel noemt haar Lola). Marieke Donga is overleden 24 jaar geleden en zou nu 41 jaar geweest zijn. Dat vergeet je nooit. Door dit overlijden denk ik steeds aan deze kinderen. Tranen zijn hier niet goed genoeg voor. I am forever grateful to have received my frog from Lauren last year. She bent right over and picked it up ... she had a hard time understanding why her cousin Jim did not want to carry it around with him. So she did it for me. I am sure she took it home with her. “ There are no words to express the extreme sorrow I feel for Lauren's family. I will remember all the times she has come to work and sat in my lap so I could show her fruit and vegetable animals and pix of my daughter's chihuahua, Baby. I can still hear her saying, "awwwww" as she cocks her head to the side. I will miss my little buddy. :o(
