*I wish I had the right words to say
To wipe all the pain and fear away
Of all the ones who love and miss you,
But Lisa, I am hurting and missing you too.
I try to smile and fight back tears,
All the memories throughout the years,
have made me miss you even more.
Such a beautiful soul you selfishly gave to all
this blessed so many big and small.
Lisa you loved God, your family and the U.S.A,
and loved to debate politics until you had your say.
You cared for those who were special need,
This was your calling, your special deed.
I want you to know that Brendan and Brendan will be cared for,
for they were the love of your life, which you adored.
I know our Heavenly Father has given you wings to soar
To the heavens were you are in pain no more.
I am confident in knowing this is not the end,
for I will see you in Heaven, my sister, my friend.*

Thinking of you all and feeling your sorrow. Lisa you sweet angel. I am going to miss our time on facebook, I could always count on you to "like" scripture or faithful notes I posted. I often looked for your posts that I could share on my wall. Your time on this earth was way too short.
