“ *Just wanted to say how sorry we all were to hear of Aunt Lois’s passing. I know this might sound bad but if she was like my mom was I was very glad to see her go. What a cruel disease all four sisters got and now are all with their mother in heaven. Try to remember the mother she was not the person that was with you the last years. Dad still hanging in there but it’s like he is a prisoner in his own room.*
