“ There is never just the right thing to say at a time of bereavement. Thousands of words have paraded across my mind, since we first received Tim's message of Lois' passing. Since that call, I have come to realize two facts: she is now at rest and peace with her maker; and every time we see the face of Harry or the Vick boys, we will catch a glimpse of her soul, shining through them. She was a kind and gentle woman, and we were so blessed to be graced by her presence in our lives, R&B##imported-begin##ray & Betty Liskey##imported-end##
