Tribute Wall

“ *Lois became a very special friend in our lives. She gave us a great gift when she decided to play "matchmaker" for her granddaughter, Lisa, and our son, Don Templeton. Thanks to her plotting, we have a terrific daughter-in-law and two great grandchildren. We also have inherited Lisa's wonderful family. Lois was proud of her matchmaking accomplishment and we are grateful for it. God Bless, Lois. You are missed.##imported-begin##Don & Jackie Corning##imported-end##*

“ *We are so sorry to hear about Aunt Lois!! She was a wonderful women!!!! We regret that we are unable to attend either the visitation or the funeral service. Our Lois has a doctor's appt. in Richmond and she doesn't know yet but, Carol and I are having to place her in a facility also because she needs 24hr. care. It's upsetting that we are quickly becoming the older generation. We love all of you!
