“ To Roger, David, Gary and Mark,

In life sometimes, the family that you are born to aren't the ones you would claim. However, if you are very blessed the ones who find you are the best. I used the Conley name growing up. I was very proud of the name and did my best to never shame it. I always knew that I was loved and accepted by Lona and Elbert. Although, it's been a few years since I've seen your Dad, I always felt loved by him. He would tease me like crazy! His way of showing me that I was accepted. I appreciated that about him. He will be missed.##imported-begin##Angel Schepens##imported-end##

“ To all the Conley family~

The world has lost a wonderful man. Your dad was like another grandfather to me for all my life. "Bozo" as I nicknamed him from early on was always there with a smile and a hug for me. I loved that man as if he were part of my own family and I will truly miss him. My thoughts are with you at this sorrowful time. I love you Bozo!
