“ *We feel truly blessed to share genes w/sweet Luanne. Fond are the memories of our brother-sister grandparents, John Newcome and Rena Newcome Tudor and their families who pioneered Barkley Township. Long live the legend of the wedding blizzard. We, as well as the grandparents, were snowbound on a country road and ran late for Luanne and Herb's ceremony. Honey-mooning in Rensselaer set a record!
Prayers and love to family.

“ *I am greatly saddened to hear of Luanne's passing. Luanne was one of my oldest cousins in a large extended family but was always very generous and friendly. I was supposed to be the ring bearer when Luanne and Herb were married in April 1961, but we were snowed in by a big Spring blizzard. Luanne was the extended family nurse and always went the extra mile to provide her medical expertise and advice. She was a great source of comfort when my mom Doris had her many medical problems. Rensselaer was a better place because of Luanne, and she will be missed.*

“ I am so sorry to hear of Luanne’s passing. I have so many wonderful memories of her. When she was in nursing school at St. Elizabeth’s I had to be hospitalized there. I was only 5 or 6 but she made me feel so special - like she was only my nurse! And then of course being the flower girl in their wedding was amazing (even though there was a blizzard in April)! I still have my flower girl dress and the necklace she and Herb gave me. She was one of a kind and always so kind! My love and sympathy to all of you!
