“ I will always remember Aunt Lu by her upbeat attitude and her infectious laugh as I was chased around our car by her rooster many years ago. Aunt Lu took an amazing path through life that I'm sure touched so many people. Take comfort in knowing she is now being rewarded. Although I'm not as close to her as I should have been, I feel sad for everyone that she has left. We will pray that God brings all of you the strength, comfort, and peace to help you through the days ahead. Our hearts and prayers are with all of you in your time of grief.##imported-begin##Laura & Jason Gerald##imported-end##
