“ *Marce was always a favorite of mine! She was energetic, kind and oh so smart! I always enjoyed talking to her. The topic didn't matter, she was interested in everything. The most endearing memory I have is when she and Jake came to our house the morning after my dad died. So thoughtful and caring! Such a privilege to have known her!*

“ Years ago, Marceline would drive my sister, Marj, and me to bible school in Mt. Ayr. She (or sometimes her sister-in-law) did this for years. Thanks to those two ladies, Marj and I both graduated from 8 years of bible school. She loves the lord and, by example, taught us to love him too. What an amazing lady!

“ Prayers for the family. Aunt Marce and I had many memories, making salmon soup and talking for hours. Never had a problem finding something to talk about. Always loved staying with them on summer breaks. We went to yard sales, did little projects, but mostly sat and talked, loving to spend time together. I've missed her since she moved to Ohio. Marce has never been far from my thoughts and prayers. Rest in peace and enjoy being with your Savior.
