Very sad to learn that Marge has passed away. A flood of memories came back to me from days spent with Marge during our childhood years. She was a very special friend and person. I am so happy that she and Ray had many good years together. My deepest sympathy to Ray and the family. Judy (Griwac) Fairfield

“ God created all of us for a purpose. Margie was a great aunt, friend and wife. She was there with a hug and kiss and opened her heart and home to those in need. I witnessed this through the years. We have a great love for her and admire her life. She raised her children in a Christian home and they now carry on her legacy. She knew the true meaning of Christianity. I am sending our love to each of you. Church made Margie happy, so can you imagine Ray, Kathy and Beth the happiness she is feeling now. Margie has not died, but she lives on.

*With our deepest sympathy and love,
