“ *Aunt Skeet was her nickname that my Dad always called her. I never knew if she liked that name or not; but that is the name we always used.*
She got her Master's Degree at age 65 from Purdue University the same year that I got my undergraduate degree from Purdue. We were on campus at the same time. Aunt Skeet was my mentor at Purdue. She was always upbeat. When I would get down, she would always say that I could do it.
She was and is always in our prayers. May her soul rest in peace after a wonderful life.##imported-begin##Richard and Donna Roney Hypoluxo, Florida##imported-end##

“ Dear Eileen and Harry....I have fond memories of your Mom and even your Dad. She was a wonderful lady with such a soft personality and calm way about her. I will always remember her beautiful silver hair and sitting in the back row at St. Augustine. You were lucky to have her for a Mom!###imported-begin###Judy Burvan###imported-end##

“ Sorry to hear the news. We just bought Aunt Skeet an Easter card. We so enjoyed sending her cards. Knew how much she enjoyed them. She had a zest for life, a great sense of humor, and a wonderful spirit. She will be remembered always and loved forever.
