“ So sorry to hear about Lee! How many times people have asked me if I knew where Lee was and sadly I had to say no. She was respected by everyone at Popolano's and once the word was out we got many responses by folks who were very sad to hear. She was a fun lady and we have missed her since she left work.

“ I just read the obit notice and was so surprised! I went to school with Leone, a year behind her. I didn't know she was here in Rensselaer, too! It would have been good to get in touch. I put out the information to the classes of 1960 & 1961. We do our reunions together. My condolences to her family. Jackie White Corning, Calumet High School, '61.

“ *Dear Family*

*I want to express my sympathy for the loss of Marigold. I can tell by her infectious smile that she will be truly missed. Death was not part of Gods original purpose and so it pains us dearly when we lose our loved ones. So I hope you are able to gain comfort for the kind words of family and friends as well as scriptural texts such as Psalms 34:18 where It tells us that God is near to the broken hearted.*
