“ I loved getting to know the special lady named Grandma Fase. I was blessed by her joy and love for Colton. On several occasions, she came and read stories to the preschool children. She was always ready to jump in and help with my preschool class. Grandma Fase thank you for being such a positive, thoughtful, and caring Grandma to my afternoon preschool class. 💙💜. I will never forget the day you read - The Wonky Donkey. We laughed so hard...

“ Marge was one of those people that certainly walked her talk. She was the most giving woman, that would do anything for anyone. She was always willing to help pitch in a hand, make a meal ,visit someone or whatever was necessary. Most of the time you did not even have to ask Marge. Heaven has gained a saint. she is happy where she's at now. My sympathy and condolences to the entire family. We mourn her loss here in Florida.
