“ My grandma (Sophie Tilton) worked at Daryl's Pastry Shop until she retired. Even though work began very early in the morning, she loved her job and adored Marge and Daryl. We grandkids would visit there often as children and I remember Marge always made a frosting rose on our fingers. It was such a treat! What a beautiful person she was. She always had a way of making everyone feel special. My sympathies to Greg and family.

I had the pleasure of working at the Bakery with Marge and Daryl, Sophie Tilton, Eileen Duncan, Ron Lintner, Mike Lintner, and Nina Hammond, plus Greg when he was home from college. I was a senior in high school when I started, so I got to work in the afternoons. That was my first job and I really enjoyed all the people I got to work with. Marge will be deeply missed!
