“ Miss you so, so much! You would be so proud to read all the positive comments about how you made people’s lives so much better! You gave so much of yourself caring for seniors, family, friends, and even pets! Your love never wavered on any of your family or friends! You lived your life always putting other’s needs before your own! You were truly doing God’s work here on Earth!
Love you, Mary Fran!

“ Mary always had a kind and caring smile. She was kind and gentle and always a great friend. Our Girl Scout troop adopted Grandmas that we visited niece a month and shared our crocheting and other projects with. Mary was the kind soul who visited her adopted Grandma several times a month, along with a few other grandmas. She was the best kind of friend you could ever want. I am so happy and CB proud to have had you in my life and Nikki’s treasured friend.

“ *To the little girl haircuts that I use to give her to the big girl
highlights, Mary was always a happy girl. For the love of animals that
you would bring to your parents home and managed to leave with
them....your heart was so big.
My prayers to Nancy and Jesse, my hugs and prayers to Kevin.
I will always keep those good memory's with me.*

“ I remember Mary as a young child with an arm full of kittens. She came to me to see if I had a bed for them.... ofc I had a playpen for the sweet little darling. Her infectious smile melted my heart. Fly high with the angels! You are home now. Peace be with you.
