“ *This loss is an incredibly huge one. I did not know her well but was enough in her presence to know that her smile and her warmth was always a reflection of what she felt for people deep within. To know that I fortunately got to experience one more time ironically at an uncle's memorial just a month before her last day. A great lesson in itself. Those who were able to spend more time with her I envy but also reach out to offer deep comfort. Why do the great ones leave us so soon? I can only believe that their work is meant to be more far reaching than was possible on this earth. I believe that her work is not done and especially for those that knew her well will know when she is opaquely at work still. Thank you, Mary Ann, for your beautiful heart and deeply felt soul and all that you did to grow and change mine and other's for the better. Forever remembered.*

“ Words cannot express how my heart breaks for the entire Reichert family. When I think of Mary Ann I think of that beautiful smile. She was always smiling. So many happy memories of growing up together. The world has lost a special person but her spirit lives on in so many lives that she has touched. Although I can't be with you at this time to celebrate her life, my love and prayers are with you all.

“ My heart and prayers go out to the families of Tony and Mary Ann. Mary Ann was in our neighborhood Ladies' Bible Study group for a few years and we greatly missed her when she left to devote more time to family and church projects. Mary Ann had a sincere heart for the Lord and for others. I admired her passion for standing up for the rights of the unborn. Her smile always lit up the room and her hearty laugh was contagious. She will be missed by all of us.

“ One of my most recent and favorite memories of Mary Ann is when she came and helped me in Alpharetta, GA while my husband was in Kenya. She stayed with me for a week to help me with my cats and meals and so on. I would tell her every time I got back from work, "honey, I'm home!" She gave me hugs every day. It was the sweetest thing she did for me and she did many sweet things for me such as all of the MS rides she and Tony took part in. I love you, Mary Ann.
