“ I miss you so much! I can't call you on the phone, or drive to your house for a visit. It gets lonely. I keep telling myself that this is all a part of life. It's really sad how your family has fallen apart. They blame this one for that and so on. Life is about Love, and Family. Thats what I learned from you, oh and good food too lol. I'm so thankful for you, and Pa. You guys gave me a wonderful mother. I just wanted to say Happy Mother's Day! I Love You!
