“ *I met Missy when we worked together at Jackson Hewitt and we became friends. We had so much fun in our days there. She got me through a hard time in my life. She was an amazing person and a great friend to me. We didn't talk as much as we used to but when we did see each other, it was like we had just saw each other the day before. I'm sending lots of hugs and prayers for her family. She will be missed by so many!*
