Tribute Wall

“ To the Hamstra Family, My sincere condolences on the loss of Mike. He was a good friend. Several years back after a bad snow storm Mike went to pull my car out with the county truck he was driving and got stuck himself and had to call another guy to pull him out. I was so grateful for him. I said I owed him a drink, and he said I didn't and that's what friends were for. Mike brought a lot of life to our get togethers and I know he will be missed. May God bless you all in this difficult time.

*My Sincere Condolences
