“ *Our Brother Mike was a quiet, private man. He had a good heart, he helped alot of people. Some people didn't know this about him. He had alot of friends over the years, I only wish he could have let people in a little more but he couldn't help that. We're going to miss him terribly. There's a huge empty space in our lives now. Our parents are gone but we as siblings were all still together, now we've lost Mike our hearts are broken, but he is in a better place no more pain, sickness he's happy again. So fly high my Brother until we're all together again We Love You*
