“ *My name is Jim Funk and I graduated from Saint Joseph's College in 1973, the same year Michelle graduated from high school. I got to know her when she was invited to play oboe in our SJC band, of which I was President in 1972-73. I just recently learned of her passing from a mutual friend, and wanted to offer my condolences. I remember Michelle as an excellent musician, but mostly as a wonderful, joyful person, both serious and funny, and one who followed her passions in her exemplary life. I only knew her again briefly when I lived in an apartment in Indianapolis that was not far from where she lived, and we enjoyed an occasional visit. I also lived in Muncie for awhile but not at the same time she was working on her Master's at Ball State. I didn't have the opportunity to run into her again after my years in Indianapolis, but thought so highly of her I wanted to share these memories with you and say how sad I am to hear she passed away. God bless and comfort her family and friends.*
