“ Our deepest sympathy go out to Paul and his family. Joan was our neighbor at Lake for 30 years. Her and Paul were always working out in their beautiful yard. When returning back to the lake on the weekend we would come back only to find another new planting in our garden. We knew that it was Joan who did this deed.##imported-begin##Tim & Sue Ruse##imported-end##

“ What a wonderful person she was! I will always remember the fun times we had at the "Cochran Cottage" in Monticello and how Paul and Joan opened their home to all of their children's friends. Always thought of Joan as the "energizer bunny" because she had so much energy and never seemed to stop...I don't think she had an "off" button. Sorry that I cannot be there to honor her in person, but will honor her from here with a prayer and a smile. Hugs to you all....especially Grandpa Paul.##imported-begin##Judy Burvan##imported-end##
