“ When we visited our Mom, Clara Switzer, we always enjoyed visiting with Nancy. We often brought our rescue toy poodle, Ruby, to visit Nancy. Nancy loved to have Ruby in her lap. She even took Ruby for rides on her power chair. One of the special things we will remember about Nancy is how she looked out for our Mom even when she was feeling bad herself. We will greatly miss Nancy. Our thoughts are with her family.

“ Although we didn't know Nancy very long, we got to know her as part of our family. While she was in the Williamsport Nursing Home she was my Mom, Clara Switzers roommate and they were great company for each other. When we brought things in for Mom we always brought it something for Nancy as well. I can't even begin to say how much help she was to my Mom and she will be sadly missed.

*Sincerely,

“ *Steve and I loved Nancy very much....each time we went into her room she always had a smile and told us how much she appreciated us coming to visit her. We do a ministry every thursday nite at the nursing home and she came for the longest times until her health got really bad... We are going to miss her lots but I know she is in a much better place and no health issues...She always talked about her kids and how much she loved them and always enjoyed when they came to visit...I know u all will miss her lots but just know that she loved her kids very much....Dianna Padgett*
