My prayers are with you all, Gerald (and Lil), Sharon (and family) and David. I've known your mother since you were still in school. We met while working together at Schumacher Electric. She was unique in many ways - trustworthy, honest, caring, decent and helpful are just a few of her many qualities. Although, I left Schumachers many years ago; we remained friends. We could be apart for years and then see each other and talk for hours. She was a true friend. I have been truly blessed to have had Nancy in my life.
