“ *Nancy & I were roommates at Ball State in 1956-57. We both came home often many times with Dave Jordan of Rensselaer. We also played softball on teams from Kentland and Newton County Rural Youth. Great fun!! Nancy was a good pitcher. I remember her saying "get yourself in gear, we have a ride home" and "how in the health are you?". I was from Kentland and now live between Mt. Ayr & Morocco. Good friends with Daneeta Prohosky.##imported-begin##JoAnne Unger Summers Grant##imported-end##*

“ Jerry and family Our prayers and condolences go out to you on the loss of our dear Nancy. Bless her heart! I keep thinking of the time she threatened to put your boat out in the ditch when the ditch was full! So thankful that now her pain and suffering are over. God now has one more sweet angel in his home. May the memories give you the strength to go on and make your days ahead more bearable. Please remember our door is always open to you!
