“ Nancy, where do we begin. You have brought out so many qualities in Betty & I. You have gave us courage to join the outside world. You showed us the path to try new things. You have gave us the strength to better ourselves with things we felt we did not do well enough. But most of all you have shared such love with us, we have learned to love others unconditionally as well. With this We thank you for all in which we will carry for the rest of our lives. May you rest in peace. We also send our thoughts and prayers will all fellow family and friends.##imported-begin##Georgian Coccaro & Betty Stevenson##imported-end##

“ Nancy was such a joy to know and I feel Blessed to call her a friend. We shared a "sense of style" together....Her tiki decor and Florida style always made me smile.....we definitely had the same taste. And to spend time with Nancy, Bert and the family was always a lot of laughs and good times. My thoughts and prayers are with the entire Valenkamph family....##imported-begin##Diana Sullivan##imported-end##
