“ *Nellie was a special person she tried to be hard on the outside but she was a soft soul on the inside. She loved her family and they loved her. Legally she was my sister-in-law but in my heart she was my sister. She was one of the best friends I ever had...she loved God and I have no doubt that he welcomed her with open arms. “ *Matriarch of her family. Always quick with a dry comment, however very generous with a kind heart. Condolences to the family.*

Godspeed Nellie Pauline
