“ *Sorry to hear of your loss. Mike, I lived by your folks after I graduated from High School. Later, I was admitted to Jasper County Hospital on an emergency. Your mom was the first person I saw when I woke up the next morning. Terry and I had suffered a miscarriage and your mom was so caring, comforting and helped so much. I know you were lucky to have her as your mom,' cause I felt Blessed to have known her too! Praying your many memories give you and your family comfort at this time and in the future.*
