“ What an honor and privilege I have been given to have known and love such a beautiful and strong woman. Your so very kind spirit and loving heart continue to live through your children. I will try my very best to help them through this difficult time. I will miss our laughs and hugs but I am grateful that you are suffering no more. I will not say "goodbye" but instead farewell until we meet again. Save me a seat in the fun section and give hugs to the others we know and love and miss. Enjoy Paradise, you've earned it. We Love you, always.
