“ There are people who come & go in our lives & barely leave an impact - sometimes that is a good thing! Pat Mitchell came into my life through her sweet & funny angel daughter Jeanne. Because I lived so far out in the country, I had the best excuse ever to stay in town, with Jeanne. I loved every minute I was blessed to spend with them - I still believe that Pat was one of the best cooks in the world & I loved how she never complained about having to drive us here, there & everywhere. I think she enjoyed having us around. Pat Mitchell made a good impact on my life. I am eternally grateful for the gift of her in my life! Love, hugs & prayers for peace & comfort for the family she leaves behind...
