Dear Sherri, sending condolences to you and Patty's entire family. Patty was a special person and now she is a special angel. She was a joy to work with when we were younger and now as we were older It was a joy to work for her. I cannot imagine a day going by that I will not think of her. I will rejoice in the fact that I know that she is not in pain anymore and that she is with her loved ones that she has missed so much. May God be with you over these days that you have to face without her and keep you in his loving care. Love Janie
