“ I remember first meeting Paul in the late 70s. He was winning disco contests at that time! I enjoyed our family get togethers. I especially remember when he would stop by the house with donuts for the kids and they would enjoy sitting around chatting with him. Doesn't seem that long ago. His children and grandchildren always meant the world to him.I know they will miss him dearly.

“ My thoughts and prayers are with the entire Leipert family. I got to know Paul better by playing poker with him and Dave as well as other cousins once a month for approximately 15 years. I enjoyed Paul’s stories and the camaraderie between all of us. Rest in peace Paul
