“ lots of hugs and prayers to all my cousin's. Pearlie's children, grandchildren and greats and great-great. I will miss my sweet(cousin) sister, we had many, many laughs. Slumber parties with some of the other sisters. Going here and there, Toto, Baileys, Jasper junction when I would visit on the week ends. She was one of a kind, no one else like her. We had plenty of secrets don't tell no one I told ya that. I would look at her and say who am I going to tell. When I would call and ask if she would like a visitor even when Johnny was still here I could here him in the back ground come as soon as you can. I always told my co-worker I was going to Indiana to get a MESSER fix. Because they were all Messer's back in the day. Visiting with all of her children watching some of the grands growing up from little ones to adults. I will be very lost with out you. We will meet again, please give all the other families hugs in heaven. Lots of hugs
