“ *Rabin and Janet were good neighbors in Barkley. Growing up, Janet helped me make my senior cord skirt. I babysat the girls too. I remember the tornado of 1958 and Rabin coming with his hired man to cut up the tree blocking our garage . I recall him leaving the hired man to finish as he had pigs farrowing . He also bailed our hay. Rabin was a very intellegent individual and I can see him sitting quietly reading as Janet and I worked on my skirt . My folks were John and Marie Pettet . I am Judy Pettet Smith*
