“ Heartfelt condolences to the entire family from Ronnie & Dorothy Clemons, Connie & Scott Miller & family, and Sherri & Mike Jachim & family. Raelane's love of life, love of laughter and love of happiness contributed to "what" she was, but her love of family, and the glow that would shine in her beautiful eyes every time she spoke about any of them, is what made her "who" she was - a true beauty on the inside and out! "Her boots were made for walkin'", and they took her straight to heaven - where she's finally pain free and resting comfortably with her mom, in the arms of our Heavenly Father.

May the wind always be at your back.

And until we meet again,
May God hold you in the palm of His hand.*

“ Raelane was an amazing person who would go out of her way to make anyone feel like family my prayers go out to Mark and their 6 children. it would be more appropriate to say to say 60 kids because everyone who came by knew her as mom. Mom is the most open hearted person i ever met and shall never forget. I love ya, miss ya but im happy that you're in a much better place

“ Raelane is my (former) sister in law. The two things that stand out most about her, to me, is that constant, gorgeous smile & her fierce love for all she cared for. She def made an impact on me. As sad as I am for all who love her and will miss her, I can't help but be glad she is finally pain free. The last ten or so years were extremely tough and now she is free, in Heaven, delighting all XOXO

“ *Rick, Ron, Jacob and Taleena, All my childhood memories include all of you and your mother!! I will never forget all the time we spent together. Your mom was a huge part of my childhood and was an amazing person...she was always laughing and joking. After my family moved to MN we came to IN and visited your mom. In her living room she had pictures of all four Tucker kids hanging on her wall!!! I loved it. I last spoke to your mom in 2011. I called her one day when she got ahold of me on Facebook. We talked for an hour, and it was like I had been talking to her everyday. She was truly an amazing person. I am so sorry for your loss, and I have been thinking of you all the last week. I hope to see you all soon. You are so lucky to have had a wonderful person, as your mom was, in your life.*
