“ We shared some good times growing up-you, Buddy and me. Your father took us on a fabulous fishing trip that lives in my mind and heart always. Your great dogs, the Weimeraners. You always had a smile and a great laugh. We shared a great harbor cruise with you and Jean. Forever in my mind and heart, I love you and will miss you.

“ When a loved one dies family and friends feel great loss. It is my hope to bring to the family a comforting thought. In the Bible book of Job 14:7,14,15 a large door of hope is opened for those asleep in death. I says: "For there exists hope for even a tree. If it gets cut down, it will even sprout again...If an able-bodied man dies can he live again?... You(God) will call and I myself shall answer you. For the works of your hands you will have a yearning." Yes, the Creator longs to bring back to life those who have died. What a wonderful promise and sure future for those asleep in death. May you find peace in this time of sorrow.##imported-begin##Jackie##imported-end##
