“ I have a lot of great memories of my dad; We had many great vacations, fishing trips, camping, dinners & he was always there if I needed to talk and would give a non bias opinions. I look back now and think its funny that he would tell me as I got older I don't talk much but when I was a child he use to pay me to be quiet....lol I love you dad!!!

“ One of my most cherished memories of Pa is of the times we would go fishing. It usually started with us stopping for breakfast. He always ordered his favorite...pancakes with strawberries LOADED with whipped cream! Our usual fishing spots were at Heidecke Lake, Starved Rock or Monee Reservoir. We rarely caught much, but the joy was the time we spent together talking and laughing! I miss you like crazy Pa, but I know you are happy and at peace. I love you and cannot wait to see you again someday!!!
