“ *I just learned of Ray's passing - please accept my sympathies. I met Ray while I worked at the Rensselaer Public Library, and thoroughly enjoyed his visits. Ray and LaDonna were good friends of Bonnie and Chuck Powell, and I spent many pleasant hours visiting with the four of them.*

Know that your husband and father is safe in God's loving arms, and know that you are being thought about during this sad time.##imported-begin##Mary K. Martin Emmrich##imported-end##

“ *Richard & family:*
You have our deepest sympathies upon the lose of your brother. I'm going to try to attend the services, but we have 2 other services on Monday & Tuesday. It is a shame that we all get so caught up in our lives that we don't make it around to visit family as much. If we don't make it to the services, I hope you know that we will be there in thought & prayer.
