“ Dearest Renate,
Thank you for being one of my favorite neighbors. I loved you from the moment I met you! You were always so very kind and loving to all God's creatures. You never missed a chance to wave no matter where you were. In your favorite chair watching TV or on your deck visiting with your lady friends, you always waved... Your house looks so lonely now that you are in heaven but I know that you are not alone as your husband was waiting for you all along. I miss you terribly!

“ Renate was an inspitation to everyone to whom she came into contact with...She was a wonderful person..She became a part of our family when our daughter (Julie) moved to town.. Renate fell in love with her and our grandson (Bryce)...She also befriended our Mother when she had her stoke and was in the Rensselaer Care Center..She encouraged her to do the things she needed to do to get out of there....Renate will missed by all of us....We love you Renate...
