“ I don't know where to start with Renate but that I loved her so very much! She was across the hall from my Mother at RCC. She would wait at her door to see how mom was, and then her humor would explode in the hall! What a funny woman she was. And always talking about her little dog. Oh how she missed her dog. While my mom was sleeping I would spend time in Renate's room just talking and sharing thoughts and prayers. What a beautiful woman inside and out! She would even console me when times got tough with mom... Renate, you have tiptoed through my thoughts through the last 5 years... Dance Renate, dance..... love Ginny Reames
