“ I worked side by side with Rich for many years at Amoco. He would start every day shift with an Egg McMuffin and a Coke. We had a lot of good times together. I'll always remember either Fighter Jets or the Chicago Bears as his screensaver. Good guy, gone way too soon.

“ I had the pleasure of working with Rich at the Whiting Refinery. He was one of the Refinery Coordinators in our group of "Cube Heads" that reported to the Refinery Optimization Group. He was a great man and personality and liked by everyone. I always referred to Rich as "The Great Colvini". Rest in Pease my friend. One day we all will meet again at the "Big Refinery in the sky".

“ So many laughs and great memories over the years. Rich was a straight shooter and a Man you could trust. We often talked about his love of Kaye and how lucky they were in finding each other at time when they both needed someone to love.  
Heaven has truly gained a worthy angel. Now just maybe he will be able to do something with those Bears  
Rest in peace Big R
