“ *In loving memory of Jim & Alma Eagle of Sheldon, IL. I had the pleasure of meeting Dick in 2011 when he attended the Sheldon High School Alumni Association Banquet. It was good to hear him speak of better times spent with my parents. Our family was neighbors to Dick & Don's sister, Pat, and her family. May cherished memories be of comfort to you and yours during this difficult time.*

*Funny how you can meet people in the strangest places and they can have such a impact on your life. I knew Dick from him and Carolyn coming into the resteraunt I work at. I sure will miss the way he could make u laugh and the contagious smile he always had:) when Carolyn went into the hospital he was the kind of man you just took under your wing and wanted to make sure he was doing ok. Prayers to help you through this terrible time.*
