“ *Grampa had a lot of great qualities. His sense of design was classic, his kind and approachable nature was magnetic, and his crepes were unmatched in deliciousness (just to name a few). I'll be reminded of him every time I see an ornate piece of wood work, and I'll smile at the fact that I was lucky enough to chat design with him.* ”

“ *We extend our sympathy to Glenn and family. I'll always remember talking with Dick as he was tinkering with or refurbishing something in his garage and the sounds of Christian music would be emanating through the air. We will miss him. Our prayer is with Glenn that the Lord will help her through this time. We know He will.* ”
