“ I became friends with Mr. Randle once he moved to Plainfield... He would come back to Rensselaer for his law office and would stay at the Holiday Inn Express, where I was a desk clerk. He was one of the nicest men I have ever met.

“ *Bev. and Family..*

*I so enjoyed working with Bob over my 42 yrs as a judge...Some of his jokes still bring a smile to my face...His light heartedness always made the court a place where smile was appropriate. Ill miss his charm and the times he made jokes about me that had some truth to them but not much...Ill always remember his mad dash for his office the day his phone rang in my court and he answered it... T,J had him in her sights but he was to quick and he made it to the safety of his office only to come back the next day and politely ask if he could keep his phone....He never brought it back to court again... Im sorry to lose a friend as two of them passed within a week....*
