“ *I will never forget Bobby and Pam! I remember the first time I meet Bobby. He was filling tanks at a gas in Valpo and we needed gas for our motorcycle. He approached us and invited us to R-2 meetings. Through his friendliness and kindness, he introduced us to some of the best times in our lives, and we thank him for that!*

I also want to say, Bobby and the Northcutt family, were the first ones to come to the hospital in Rensselaer, when I needed someone! And I thank them for that also!

With that being said, God has one of the most caring and compassionate person I have ever met!

Sorry for your loss! Peace be with the family!

“ Donny was always one of the cousins I looked forward to seeing at many of the gatherings at Grandma and Grandpa's in Virgie so many years ago. We had so much fun as children playing out there! Even as recently as the last time I saw him he was ready with a smile and to share news about his much loved family. He was so proud of all of his loved ones! He will be missed.

I was saddened to hear about Donny. He always had a smile on his face. Pam, you always had a smile also. Many prayers will be said for you and your family. My heart hurts for you.
