“ Prohosky Family, I was just at the farm yesterday Nov 19th and I drove up to Rob's home and seen a dumpster in front of his home and I knew something happened. Then I drove over to his Mom's home and no answer. I left a note in her door to call me at 219-241-9744. And then I drove back by Rob's home one more time and looked at flag poles and the HI flag was gone and drove to the the yellow house on hill north of house and girl answered the door and she said Rob my friend died. I waited tolong to stop by because I knew he would be getting crops out field and didnt have time to talk. Iam sorry I wasnt there for him and all you at this time. He is in GOD'S hands now Iam really going to miss him. I have knew him for many years we sat by each other on school bus.

“ *There isn't a day that goes by that i do not think of Rob, He was a very kind and caring person. He is definitely a one of a kind individual. I know that he is no longer in pain, and is an angel up there with God, and is happy once again. We had so many great times, during the last Christmas, me and my mom and Rob went to Demotte to get a Christmas tree. He said, "Audra Rose you can choose whatever tree you like best." I picked one out, and he thought it was the best tree in the lot. He was definitely one of the best shoppers i know. Going to the mall, he never complained once! and it was one of the best times i have ever had, He was such a funny guy and had a lot of good jokes. Most of all, he was a cookie fanatic. He could go through a pack of cookies in two days. I always cooked for him, and he loved my cooking, I did the best i could to make him happy while we lived together. i just wish it would've been longer but, I know he's up there in paradise, and we will be a family once again when that time comes which eases the ache in my heart a little. I know he would want to see me happy and wouldn't want me to be sad all the time, but i miss him more and more each day. He will forever have a very special place in my heart.*

*Love Always, Your daughter,

“ *Rob brought so much love and happiness to myself and family in the short time we were blessed to know him.I can only wish the end could of been different which is selfish of me as i know he is in heavin with his dad getting all his equipment ready for harvest,healthy and happy,doing what he loved most.My daughter Audra,coyote coty and I did our best to take care of Rob to keep him safe and happy.Even if that meant he got upset,such as after numerous times of being pulled over,driving into the well by the old barn,and a tree or two,disableing his modes of transportation.Rob had told me himself that he couldnt stand the thought of causing injury to another due to his driving.But Rob always put others before himself.That was just who he was.He was truely one of a kind and will be missed more than words can say.The world is a much sader place without him and he will always be in my heart.I love you and we will see each other again.forever soulmates,I love you day and night.Carrie*

“ Rest in Peace Robert William Prohosky. You will forever hold a very special place in my heart. I will miss all the great times we had together, all the stories and the jokes we shared, The great big smile you always gave me, Eating dinner together as a family & just hanging out all the time. I am grateful to have so many pictures of you and me. My heart aches for you, I miss you so much Rob, It eases the pain a little to know you're an angel up there in heaven harvesting the fields with your dad, doing what you loved. I am honored that you always introduced me as your daughter. We had that very special kind of bond. I never seen someone make my mom so happy before you came along, I know you loved her very much. There isn't a day that goes by that you are not in my thoughts. I know someday we will meet again in heaven, Thank you for all the memories, i will always cherish them.

Love Always,
Audra Rose
