“ Jackson Funeral Chapels created a Tribute Video in memory of Robert Allen Yaeger

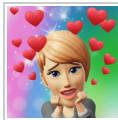

Jackson Funeral Chapels - June 11, 2014 at 04:40 PM

Miss him like crazy everyday...

Steve Yaeger - June 08, 2016 at 10:17 PM

It took me two years to watch this video. I have never seen it until today, just could not even think of looking at it. His brothers and sisters did a great job picking out pictures, I could not even do that with them. This was his life and he enjoyed life, but god had other plans for him. He is fishing in the biggest pond ever holding his beer. I miss you so much my heart breaks but I will see you again someday. I love you now and forever

Linda Yaeger - June 09, 2016 at 06:00 PM

It's taken me 2 years to watch this tribute. It is so well done, I remember a lot of those times. I miss him coming to the house to hunt coons and deer. I miss him also just coming over to hang out. He was such a great guy. Loved him like he was my own.

“ Well now that I have finally have the strength and courage to read all these wonderful posts about my brother makes me realize how we touch people's hearts in different ways! My brother and I had many different views of life, but my love for him was deep. He was always someone I could count on for help. I miss him! I hope one day the visions pass. That was by far the hardest thing I ever had to do! God always has a plan and his plan was for this to happen while mom and dad were both out of town! No parent should ever have to see what I saw! I promise! Love to you all!!

“ I was one of his teacher's in elementary school...and I just wanted to tell you how truly sorry I am for your loss. I just found out about his passing, or I would have been at the funeral. The memory video is wonderful and full of great pictures. The one of him in school made me cry. One thing about him never changed, his great smile.

“ Bobby was a great friend to me many years ago. Once I heard he passed all too many memories came back to me. I spent time with him in our early twenties. When I moved away for work we lost touch and it will be something I regret forever. bobcat my brother may the woods be deep and deer aplenty on the other side for you to hunt. I'm sorry we lost touch. It will burden me forever. My love to the yaegers.

“ No words can express, my sorry. No words can heal the pain you are feeling right now. I am here when you need me. May God wrap his arms around all of you at this difficult time. My deepest sympathy...Love you all.. Diane and Rich Furlong and Family... This poem is one of my favorites....

*Do not stand at my grave and weep,
I am not there, I do not sleep.
I am a thousand winds that blow.
I am the diamond glint on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you wake in the morning hush,
I am the swift, uplifting rush
Of quiet birds in circling flight.
I am the soft starlight at night.
Do not stand at my grave and weep.
I am not there, I do not sleep.
(Do not stand at my grave and cry.
I am not there, I did not die!)*
