“ So many memories from when you, your folks and grandparents would come up... All the times at the resort. The trips we made to Indiana, the tornado, sleeping in the yard... Such wonderful times I will always hold close. All our love to you. I was planning on driving the folks down for the service but they would rather come down and see you kids later. So I will hold them to it. Know we are holding you close in our hearts.  
Love.....
