“ *To Ron's Children:*

Sorry for your loss, I had a nice conversation with your dad last October and will miss seeing his friendly wave whether from a pickup, tractor or whatever farm equipment. I did a lot of farm work for your grandfather when I was a kid and knew your dad from an early age. My family and yours have been lifelong neighbors and always enjoyed your dad visits to our farm; he was a good man that on behalf of my family, we are grateful for knowing him.

“ *My condolences to Ron's family We rode the same school bus growing up. He was a good friend of my father's. He came to our farm auction when my Dad passed. He was kind enough to share memories he had of my dad. Ron was a good neighbor & friend. I will always remember his great 'smile'. Hugs to all of you.*
